We are happy to invite you to the next annual Kundalini Surjhee japa practise and continue with the legacy of the Master of Sat Nam Rasayan, Guru Dev Singh.

Yogi Bhajan asked Guru Dev Singh to sit and hold the Re Man, and later the Kundalini Surjhee. Soon these Sacred Naad japa practices became an critical part of Guru Dev's teachings and legacy as he included them in his 30 year long teachings, first in India and then moved them to Mexico, Chiapas.

As it was initially programmed, the Kundalini Surjee will be held in Guru Dev's magic hometown, San Cristobal de las Casas, Chiapas, Mexico July 24-28. Arrival 23 July.

Online participation on Zoom platform is also available.

Repetition of Kundalini Surjhee Shabad

Kundalini Surjhee — was an shabad written in honour of Guru Ram Das. A recitation of this Shabad for 11.000 times gives understanding and experience of the flow and Kundalini Energy, provides TOTAL REJUVENATION OF THE INTERNAL SYSTEM by harmonising and tuning the internal organs.

GURU DEV ALWAYS SAID
"ONE WHO TRULLY WANTS
TO UNDERSTAND AND LEARN
KUNDALINI YOGA MUST DO
THIS PRACTICE TO EXPERIENCE IT"

Japa is always a very deep meditative experience that takes practice to a new level. But for that, a person must have a strong discipline and a certain experience of regular meditations.

After the Japa, from the 28th to the 31st of July, everyone will be welcome in Guru Dev Sing's house in San Cristobal for an evening meditation program.
